**Nov. 17, 2020** - Covid-19 is a frustrating  
reality. We had planned to do in-person  
worship for the next two weeks. But Covid-  
19 has gone rampant once again. Here is a  
word from our Bishop Susan Candea:  
“Throughout this pandemic, we have  
continually adapted and changed plans in  
response to the Corona Virus with hopes that  
we would be able to ‘flatten the curve’ until a  
vaccine could be developed and widely  
distributed. We are now facing the reality that  
the curve has become a steep incline, and  
medical experts are warning that the virus is  
out of control. While many of our  
congregations have already taken steps to  
modify or suspend in-person worship, I  
strongly recommend that all congregations of  
our synod suspend in-person worship through

the end of the year.”

Because of the outbreak it is prudent for us to heed everyone’s concern and postpone in-person  
worship at least for now. For the last several Sundays we have been meeting in the parking lot,  
listening to the radio broadcast, and sharing a masked moment of fellowship following the  
service. We will add the distribution of communion (wine and wafer in a sealed unit) to listening  
and fellowship. I’ve written this with a heavy heart knowing we all would like to return to what  
used to be “normal.” But for now, we will have to wait to see what “normal” will be possible.

Blessings, *Michael*
