Since their founding in 1965, Petco has strived to set new standards in pet care, delivering comprehensive wellness solutions through products and services and creating communities that deepen the pet /pet-parent bond. The Petco Foundation, an independent nonprofit organization, has invested more than \$280 million since it was created in 1999 to help promote and improve the welfare of companion animals. Together, Petco and the Petco Foundation have helped find homes for more than 6.5 million animals nationally through in-store adoption events.

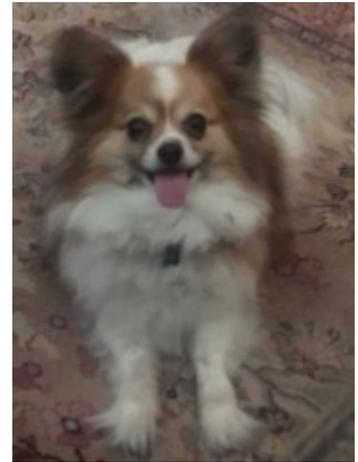

The Lawrence Petco was one of the first local retailers to support the Pet Pantry. They established a bin at the store so that customers could donate to our cause of keeping pets with their owners. Often store staff members have personally purchased pet food for us and placed it in the bin. Corporate has been generous as well, by providing both pet food and supplies.

Judy Culley

The skills that I hope I have offered to the Pet Pantry have been my experience with fund-raising and my commitment to the welfare of animals. In my professional life, I have worked in a number of areas, including teaching 8th and 9th grade English, and working at Court Services in Douglas County. Most recently, I worked in child welfare at The Shelter, Inc., now called The Children's Shelter. I retired from working in child welfare about 3 years ago, and I have been volunteering with a number of other groups, including the Community Services Committee for Lawrence Rotary Club, and the St. Patrick's Day Committee.

Judy's dog, Oliver

2020

- ❖ We had a total of 226 families register for assistance from TLC Pet Pantry.

Carl

Until one has loved an animal, a part of one's soul remains un-awakened.  
Anatole France

**COVID-19**

We began serving in the parking lot following Covid-19 safe practices on 3/14/20. We were only allowed to invite people in to get food assistance for the first 10 weeks of 2020.
